Meet Daniel Figueroa, Cast Member in restaurant #362 Cerritos. Daniel has been a super star with Chuck E Cheese for 11 years and counting! Daniel strives to be the best in everything he does. No cleaning detailing is too much for him, he takes great pride in the cleaning he does. Daniel always walks in with a smile on his face and willing to help everyone with any task he can. He is always on time and ready to start as soon as he clocks in. He is truly a great employee and a great example of who we should all be at his age. His favorite hobby is collecting Coca-Cola items. He also likes to joke around and to help in getting our morning started. Even though he is given a couple of big tasks he never says no and gets it done by the end of the day.

dear chuck e...

Chuck E. Cheese, where a kid can be a kid. That's not always the response we get with our child. Our son Bryson, who was recently diagnosed with a rare chromosomal disorder. Many places we choose to stay away from due to dirty looks and bad reactions from employees/customers. Today we decided to take our son to this location in hopes that he can be a kid – as your slogan states. Upon arrival he had a huge meltdown in the middle of the floor. It was too much for him; the music, machines, and people over talking others. We sat down with him on the floor thinking maybe that would help regardless of the stares from guests. We ended up having to bring him outside for a moment to recollect himself and I (mommy) thought if I bought a lollipop for him, it would help comfort him. The young gentleman who took our order, seen we were having a hard time, gave us the lollipops. When we were able to bring our son back inside, we enjoyed it as we always imagined it to be, which has never happened to us. Our son could FINALLY be a kid. The gentleman we had mentioned that helped us prior was so extremely nice and very understanding of our situation. Words just cannot describe how his generosity and kindness meant so much to our family; especially our son. I wish I would have caught his name to tell you all who he was, he may have been a manager. All we know is that this will be a day we will never forget. A day that was perfect in our eyes. Thank you to whoever this young man was. We will go back again due to this. He has shown that EVERY kid can be a kid at Chuck E. Cheese!

I wanted to say that I am a huge fan of your company. I am a single mom, working numerous jobs to support my son and doing fun things with him often gets expensive. I always coupon or find free alternatives. However, I really wanted to splurge and take him to Chuck E. Cheese, so we went last week. We went to the Doylestown, PA location because I heard great things about it. He is only 11 months old and just starting to get mobile and enjoy our outings. He had a blast! It was truly awesome. He rode a care and a horse, and played a couple games (with the help of mommy). All in all, we only ended up spending a small amount and his smiles were well worth it! I know a lot of folks probably email to complain and it can be tough responding to those, so I thought I'd add a little positivity. You're doing a great job and I wanted to say thanks.

We had the VIP birthday party today. I cannot begin to tell you what an awesome experience we had. The party planner, Corveyon, is wonderful. She was polite, attentive, patient and highly efficient. The restaurant was very clean, the food was great, and all the kids had a fabulous time. All of our questions were answered, and all of our needs were met. We are from the Cumberland, MD area. We drove an hour and a half to have this party, and it was well worth the drive. I did answer the survey, but I was so pleased with our experience I felt this email was also in order. Please recognize the staff at Hagerstown, they are awesome!

WOW!

Had my daughter's 2nd birthday party today and had a wonderful experience. Our host Anthony was truly amazing and should be recognized for his excellent customer service. The whole team was amazing, even the manager Jesus – but Anthony was truly exceptional and one other person but I did not get his name. Good work and thanks for making my daughter's day a great one.
